

Pride Pump Program – Application Details and Guidelines 2027

The Medford Cooperative mission states that we will serve your community cooperatively and professionally. With that, a large part of the cooperative spirit is supporting the communities that support us. We believe it is important to share our success with our customers as well as the communities we serve. To do so, we provide donations to non-profit organizations that align with our funding priorities:

- Education and Youth Development
- Community Growth and Development
- Community Well-being and Safety
- Agriculture-focused Organizations

Our Pride Pump Program has provided area schools, libraries, and non-profit organizations with over \$135,000 in funds since November 2021. In addition, each year we have contributed thousands more to other non-profit organizations and causes in the communities that we serve. **Applications will be accepted now through November 30, 2026, for the Medford and Stetsonville locations.** An employee-based committee will review all applications and decide which organizations will be awarded funds. Awardees will be notified in December.

Application Guidelines:

- Requests must align with the aforementioned funding priorities.
- Medford Cooperative only makes donations to entities and/or members of the Cooperative. If you and/or your organization are/is not currently a member, please contact us to apply today (free of charge).
- Organizations must provide proof of 501(c)3 tax-exempt status.
- The attached application must be provided along with additional information as necessary.
- For tax purposes, we ask that you provide a formal letter of acknowledgement to Medford Cooperative.
- We do not fund organizations raising funds to donate to other organizations. We prefer to donate directly, but exceptions may apply.
